

TRAFFIC RULES AS PROPOSED TO CITY

Jim Pilkington Makes Timely Suggestions to Commission.

RELIEVE CONGESTION

Would Make Main Between Second and Fourth "Restricted."

If the suggestions presented to the city commissioners yesterday morning by Jim Pilkington, traffic officer, are approved by the city fathers and become a law the congested traffic condition along Main from Second to Fourth will be greatly relieved and the safety of life and limb in this district will be increased by a large percent, according to the father of the suggestions.

The following are the suggestions as proposed by Traffic Officer Pilkington: First, We would forbid the street cars from gathering and discharging passengers between intersections as is their present custom in the vicinity of McClure's hardware store and the Broadway theater.

Second, We would require the cars to stop only at the corners, but we would undertake to keep such corners entirely clear of parked vehicles so that the street car patrons would not be endangered by passing vehicles which would be required to move adjacent to the curb instead of adjacent to the car tracks as they are compelled to do under the present system.

Safety Zones.

Third, We would establish a system of safety zones at Third and Main. We would prohibit parking for a distance of 65 feet in every direction from that intersection and divide the street giving over that space now used in parking to the moving vehicles and giving over that space now used by the moving vehicles to the patrons of the street cars.

Fourth, We would give over an entire half block of centrally located existing to the business from which to radiate their business and they would be forbidden from further plying their business in three or four of the busiest downtown blocks. If they have a constitutional right to these busy streets and should take advantage of the same as they have threatened to do, then we would only have to enforce the regulating law as it now stands and they would be compelled to co-operate with us.

Fifth, We would prohibit parking on Main between Second and Fourth for longer than 25 minutes at a time. We would suppress the old law regulating the angle at which cars might park; we would require that the parking law be enforced by the patrolmen on their respective beats. We would have a universal signal law that would clearly define the signal for half turns from that of whole turns, and we would require that drivers failing to give the signal of intention to turn

RECIPE TO DARKEN YOUR GRAY HAIR

NOT A TRACE OF GRAY SHOWS AFTER APPLYING TO HAIR AND SCALP. NO DYE—HARMLESS

Apply like a shampoo to your hair and scalp Q-Ban Hair Color Restorer. Do this every day for a week then three times a week. In a short time all your gray, faded, prematurely gray or gray streaked hair turns even beautiful dark shade with not even a trace of gray showing. Q-Ban makes scalp and hair healthy, leaving all your hair (if 20) soft, thick, clean, free from dandruff and beautifully dark and lustrous. Q-Ban is not a dye, is harmless. Ask for Q-Ban Hair Color Restorer. It is ready to use, needs no mixing. Only 5c for a big bottle. Quaker Drug Company, Tulsa, Okla. Out-of-town folks supplied by mail. —Adv.

DANDRUFF AND ITCHING SCALP

REQUIRE CUTICURA SOAP AND OINTMENT

To prevent loss of hair. Treatment: On retiring touch spots of dandruff and itching with Cuticura Ointment. Next morning shampoo with Cuticura Soap and hot water. Nothing better, surer or more economical at any price.

Sample Each Free by Mail With 2c. Postage and 2c. Card. "Cuticura, Dept. 262, Boston." Sold every where.

would be required to move straight ahead.

Street Parades.

Sixth, When there are circus or other parades in town we would get the best police by allowing one officer connected with traffic to have charge of the same, and to require patrolmen and other uniformed officers to co-operate with him. For this purpose we would have to have a few dollars worth of light cheap rope for controlling the crowds.

In putting the above suggestions into effect the city would also have to buy some upright "No parking" signs, some upright portable stands for the safety zones, some paint for marking the street and other small expenses. Traffic from the hall could be used in marking off the streets and the traffic officers would have to be given a great deal of freedom in dealing with the situation if the traffic evils as they exist are properly eradicated.

BEN CAMERON SHOT DEAD FROM HORSE

Murder Occurred on Country Road Near Broken Arrow Monday.

SLAYERS ESCAPED

Were Seen Near Sapulpa Later; Sheriff's Force on the Trail.

A quarrel of some months standing was settled for all time Monday afternoon when Ben Cameron, riding horseback, met his brother-in-law, Harlan Ibrig, and John Miles on a cross-road a mile and a half south of Broken Arrow. Ibrig is said to have whipped a revolver from his pocket and fired three shots at Cameron, who toppled from his horse dead. Ibrig and Miles tore away from the scene of the murder and up to an early hour this morning no trace of them had been found.

At a coroner's inquest conducted yesterday afternoon by County Attorney J. P. Evers at Broken Arrow an eye-witness, J. A. Perryman, described the shooting. He said he saw the three men meet at the crossing of the roads and that Ibrig fired three shots at Cameron when within thirty feet of him. One of the shots missed, the second clipped the right arm and the third entered his right ear, passing entirely through the head and killing him instantly.

Borrowed Money.

Evidence was introduced at the inquest that showed Ibrig had borrowed \$7.50 from Cameron several months ago and had given him a suit of clothes for security. The men quarreled about the matter several times. It was said, and about two months ago Cameron beat Ibrig severely in a fist encounter.

It is believed by the officers that this led to the shooting. The coroner's jury brought in a verdict of death by a gunshot wound at the hands of Harlan Ibrig and named Miles as an accomplice.

Cameron was carrying a revolver at the time of the shooting and it was found by his side in the road. He did not use it to defend himself, however.

The murdered man was about 25 years of age. Ibrig is 20 and Miles 19 years of age.

Sheriff Woolley and his deputies were on the trail of the men within an hour from the time of the shooting, but did not succeed in catching them. It was reported they had been seen near Sapulpa at about midnight Monday.

Whenever You Need a General Tonic Take Groves.

The Old Standard Groves' Tasteless Chili Tonic is equally valuable as a General Tonic because it contains the well-known tonic properties of QUININE and IRON. 50c.

WOULD it be EXACTLY fair to OBSERVE that the OKLAHOMA UNDERTAKERS ASSOCIATION made AN appropriate SELECTION in NAMING Oklahoma CITY as their CONVENTION city AGAIN this year? Blouet

INTERURBAN AGAIN SUBJECT TO PROBE

Chamber of Commerce Wants More Investigation of the Company.

At the noonday luncheon of the board of directors of the Tulsa Chamber of Commerce yesterday at Hotel Tulsa, the matter of securing from this city the proposed interurban from Tulsa to Columbus, Kan., by which a rich mining and agricultural section would be opened up, was referred to the railroad committee of the organization which will make a special and minute investigation of the financial standing of the company proposing to construct the line.

This matter has consumed quite a part of the attention of the Chamber of Commerce for the past month and the members feel that the matter should be fully investigated before any definite settlement is reached which would tie this city up in a deal calling for the expenditure of almost \$100,000.

The report of the committee in whose hands the matter now rests will be presented to the directors of the club at a meeting to be held within a week or ten days.

JOHN W. SYFERT A VICTIM OF DEATH

Seeking to awake him from a supposed nap, members of the family found John W. Syfert dead about 10 o'clock Sunday night in his easy chair at his home, 321 East

An Ideal Remedy for Nursing Mothers

COMPOUND OF SIMPLE LAXATIVE HERBS SAFE FOR BABY AND MOTHER.

Constipation is a condition that affects the old, young and middle-aged, and most people at one time or another need help in regulating the action of the bowels. Harsh cathartics and purgatives should not be employed to relieve constipation, as their effect is only temporary while they shock the system unnecessarily.

A remedy that can be used with perfect safety for the latest babe and that is equally effective for the strongest constitution is found in the combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin and sold in drug stores everywhere for fifty cents a bottle. This is an ideal household remedy and should be in every family medicine chest.

Mrs. F. I. Barsolow, 18 Leslie St., Holyoke, Mass., wrote to Dr. Caldwell: "Syrup Pepsin certainly is fine. I gave it to my baby, Evelyn, and also took it myself. It is the only medicine I have been able to take without affecting baby in the nursing. I have used it for all four children and

EVELYN BARSLOW.

It is fine; they like it and ask for it." A trial bottle of Dr. Caldwell's Syrup Pepsin can be obtained, free of charge, by writing to Dr. W. H. Caldwell, 454 Washington St., Monticello, N. J.

CHORAL CLUB MADE DEBUT LAST NIGHT

Splendid Concert Given by Y. W. C. A. Organization Heard by Many.

The Y. W. C. A. Choral club made its debut last evening with a splendid concert at the First Baptist church. A representative audience was present and every number received generous applause. The concert was voted one of the finest musical offerings given here in a long time.

Perhaps the ensemble work of the club stood out as the feature of the entertainment, but the individual work stood out prominently. The Rubenstein number met with great favor and was repeated when insistently applauded.

The choral work was under the direction of Robert Boice Carson. Miss Elliott was the capable and sympathetic accompanist. W. R. Guberson delighted the audience with his splendid rendition of two groups of songs. Miss Lynette Kimmons accompanied.

A male quartet, composed of Messrs. Guberson, Wellack, Carson and Pentley, assisted the club greatly. Twice they responded to enthusiastic applause.

Patrons of this, the club's first appearance, were more than pleased and further work of the organization will be eagerly watched for.

STANLEY EXPECTS GOOD CONVENTION

We expect to have the best convention we have ever held, said George Stanley of the Stanley & McCune Undertaking Co. yesterday in speaking of the annual convention of the Oklahoma Funeral Directors' association, which is to be held in Oklahoma City May 23, 24 and 25. Mr. Stanley is president of the state association and will be, in a great measure, responsible for the program at the convention.

The official programs were out yesterday and display a distinct innovation in the matter of speakers. Mr. Stanley will be the only undertaker to speak at the three-day session. The remainder of the entertainment will be made up of allied interests such as florists, food roads men and cemetery experts. W. S. McAtree, R. B. Lovell, Joe Younger and Mr. Stanley compose the program committee.

Headquarters will be made in the Lee-Huckins hotel at Oklahoma City, where extensive displays by wholesale houses will be made. The local speaker will be Professor Clement Williams of the Kansas City embalming school. General delegates will go from Tulsa.

SCHOOLS PLAN FOR ANNUAL EXHIBITION

Will Be Held at Convention Hall Three Days Starting May 24.

Now that May day is off their hands, the city schools are bending their entire efforts towards the annual school exhibit which is to be held in Convention hall May 24, 25 and 26. It is in keeping with the custom inaugurated last year, the plan being to show some of the results accomplished in the school.

Every school and each department thereof is represented by specimens of its work. All pupils are required to prepare work for the exhibit and the teachers select the best of its kind. Each of the teachers in the system will prepare two large cards, containing an average of four exhibits to the card. Supervisors and special departmental workers will swell the number to over five hundred.

A Wide Range.

The high school probably will have one of the most interesting exhibits in the hall on account of the variety of the curriculum. Languages, commercial subjects, English, history, science, manual training, domestic arts and sciences, music, art, foreign, banking, public speaking, etc., will provide a wide range of subjects.

Names of pupils will not appear on the work, but each specimen will be numbered and indexes will be provided on a separate bulletin. All work is done entirely by pupils with aid by teachers or anyone else. The exhibits will cover the entire arena of Convention hall and plans are being made for great crowds. The exhibit will be open afternoon and night, teachers being stationed to guide visitors about, explaining the various cards.

MARY PICKFORD The Famous Players-Paramount Star.

Mary Pickford has scored her greatest triumphs on the screen in such productions of the Famous Players Film company as "Madame Butterfly" and "Poor Little Peppina." In both of which she has assumed the role of a victim of circumstances. In "The Eternal Grind," however, Miss Pickford plays a totally different role, certain to become one of her most popular impersonations—the capable, undaunted, powerful personality which rises unflinchingly to meet every crisis in a life of hardship. She is a factory girl, one of whose sisters is a moral weakling and the other a chronic invalid. Against the grasping and brutal owner of the factory in which she is employed, against his vicious young son who victimizes her sister and against the terrible disease that is gradually crushing her other sister, the indomitable will of the resolute factory girl wages ceaseless warfare. It is by far the greatest character which Miss Pickford has presented on the screen and one in the ultimate triumph of which every real human heart will rejoice.

"The Eternal Grind" is showing at the Palace theater tomorrow and Friday.

MRS. KERNS' ADVICE

To Weak, Nervous, Run-Down Women

So, Cumberland, Md.—"For a long time I suffered from a nervous breakdown. I could not eat or sleep and was so weak I could hardly walk. My husband heard about Vinol and got me to try it. Now I have a good appetite, sleep soundly and am well and strong. Every nervous, weak, run-down woman should try Vinol.—Mrs. D. W. KERNS. Vinol is a delicious cod liver and iron tonic, without oil, which we guarantee to create a healthy appetite, aid digestion and make pure healthy blood."

TULSA DRUG CO., Tulsa, Okla.

BOY TAKES POISON; DIES IN HOSPITAL

Took Tablets; Convulsion Ensued; Rushed to Tulsa But to No Avail.

Innocently swallowing a large tablet of bichloride of mercury Sunday morning, Christopher Carson, year-old son of Mr. and Mrs. Clinton Carson, who live 15 miles east of the city, went into convulsions and died yesterday morning in a local hospital where he had been brought. Pain was intense, all relief being futile.

The child was playing on the bed with his older brother Sunday morning when a bottle of the poisonous tablets was knocked off the shelf. The mother learned of the accident a few moments later when she heard the screams of the child.

The body was shipped to Chattanooga, Kan., yesterday afternoon.

Russian Army Advancing on Turkish Lines

CONTINUED FROM PAGE ONE

ride of the Russian advance, is already out.

The Russian advance in this direction has been swift and silent toward an easy road which leads to Mosul or ancient Nineveh, where the German "siege" railway joins the Tigris.

Germany has hurriedly dispatched forces, it is believed, to the Turkish center at Erzurum to try to stem the Russian advance. Apparently these efforts have come too late.

BERLIN, May 16.—(By wireless to Tuckertown, N. J.)—The following was given out today by the Overseas News Agency:

It is reported from Constantinople that Russians have massacred the entire Mohammedan population which remained in the district of Chitak. The villages of Erkenis and Hassis were invaded and about five hundred persons, some of whom were children, were burned alive.

Weich, Mayginness and Temples Win

CONTINUED FROM PAGE ONE

tered were not permitted to vote, but most of the election officials ruled that registration was not necessary to participate in a school election.

A total of approximately 1,500 votes were cast. The total votes for each candidate follow:

A. M. Welch 736, C. M. Pritchard 561.

Dr. N. W. Mayginness 735, T. J. Hartman 544.

Dr. J. M. Temples 746, Arthur Craver 521.

The men elected were all indorsed prior to the election by the voters is an indication that the people of Tulsa desire men on the school board who have the interests of the schools at heart and who do not have business or family connections that might permit the shadow of suspicion to be cast upon them.

Stipulation on the tax levy was \$70 for and \$55 against.

Lyons' Lower Priced Shoes

Put in a Word for Today

Don't make the mistake of thinking that because we are carrying so many higher priced shoes of these days you cannot get anything new of good at a popular price.

The phenomenal values we are putting out in our new "Imperial" \$3.50 Men's and Women's Shoes proves the contrary—and there are lots of even lower priced examples here. Come see the excellent styles and values we offer for today at

\$3.50

Some of them are \$4 and \$5 shoes. Simply to keep you in touch with the excellent values we are putting out at lower prices.

Begin 10 Days Flesh Building Test

FOR THIN MEN AND WOMEN

SAY WEIGHT IS INCREASED AT RATE OF THREE TO FIVE POUNDS A WEEK IN MANY INSTANCES.

If you are ten pounds or more underweight and would like during the next few weeks to take on several pounds of good solid healthy flesh, without in any way interfering with your work or your health in any way, here is a simple, inexpensive and harmless test that is well worth trying.

First weigh yourself. Then with each meal for ten days and each night as you go to bed take a single Sargol tablet. Then weigh yourself again and let the scales tell the story.

Sargol does not of itself make fat, but mixes with your meals for the purpose of assimilating your powers of assimilation and so make it easier for your blood to accept your food's strength, flesh and fat-making nourishment and turn it into strength, flesh and fat upon your body.

Some people say "nothing can make me fat. I'm built to stay thin." But until you have tried Sargol you do not and can-

not know this is true. Many say it is not true. There are many reports like the following: "I have increased 18 pounds in less than a month," wrote a man from Colorado. Another man who said he had been losing over a pound a week and was under 155 pounds, gained two pounds the first week taking Sargol and "been gaining ever since." Last report over 170 pounds. Better than 15-pound gain. A lady from St. Louis wrote: "Have gained 16 pounds and am still gaining. Sargol as a rule should be taken 30 days or more where results like above are desired."

The tablets are small, easily swallowed, produce no disagreeable effects, contain no habit drugs, are harmless and not at all expensive as compared with results said to be obtained.

NOTE—Sargol, referred to above is well known as a flesh builder to the Rexall drug store, as well as many other of the leading drug stores who, furthermore, sell it on the basis of a guarantee. It is found in each large package of satisfactory weight increase or money back. In view of this liberal offer and the harmless nature of the remedy it would seem that all who desire increased weight should be glad to give this method a trial.—Adv.
